

Billington & Pearson

Interior Design & Decoration Specialists

Tom, thank you, for such a professional, and efficient service. You and your team worked without any delay on our project removing many large trees which were very close to our house, and knowledgably pruning others.

We enjoyed having you all here and our work was approached in a very pleasant and friendly manner.

As you know we have recommended your services to our neighbours, who have also been delighted with your work.

Thank you again.

Victor and Julie Pearson.
West Clandon, Guildford.
